MEMORANDUM FOR: Chief, CIA Liaison Branch, IAD, Department of State

SUBJECT: Monthly Information Report on Continental Southeast Asia

REFERENCE: Your memorandum to AD/CR, Attn: [REDACTED]  
dated 9 April 1957, same subject

STATINTL

1. We are happy to receive the favorable comment on subject publication from your Division of Research for the Far East.

It is encouraging to know that much of the information is of such value as to merit filing for future reference.

2. Our Printing Services Division has called our attention to extreme rise in paper costs over the past year, and has also explained double collation load imposed by one-side-only printing. We have been asked to study the feasibility of reducing, rather than increasing such presentation. Our reproduction experts maintain it is more economical to provide extra copies for the limited number of consumers who clip and file.

3. In view of the above, we regret that we cannot justify amending our requisition for subject report for a one-side-only format. However, we welcome any further suggestions toward the improvement of our report substantively.
